## JOB DESCRIPTION:

a role designed to help you find and kickstart your career in a dynamic, fast-paced environment. Experienced or not – we welcome all. You just need to have strong communication skills, confidence, and the mindset to learn. You'll gain real-world experience, mentorship, and the chance to make a meaningful impact in one of Malaysia's leading insurance and takaful institutions. Fresh grads from all backgrounds are welcome.

## REQUIREMENTS:

- A Bachelor's Degree in any field (Data Analytics, Business Management, and Business Administration preferred)
- Proficient in English and Bahasa Melayu
- Excellent communication, interpersonal and analytical skills
- Ability to demonstrate client focus, adaptability, and a results-driven mindset
- Open to fresh graduates
- Contract extensions for top performers may be offered
